

A romantic photograph of a bride and groom in a field of yellow wildflowers. The groom, wearing a grey suit and a pink tie, is holding the bride, who is in a white lace wedding dress. They are both smiling and looking at each other. In the background, there are rolling green hills and a range of blue mountains under a sky with soft, white clouds.

According to Wikipedia, a news article discusses current or recent news of either general interest (i.e. daily newspapers) or of a specific topic (i.e. political or trade news magazines, club newsletters, or technology news websites). A news article can include accounts of eyewitnesses to the happening event.

It can contain photographs, accounts, statistics, graphs, recollections, interviews, polls, debates on the topic, etc. Headlines can be used to focus the reader's attention on a particular (or main) part of the article. The writer can also have the opportunity to give facts and detailed information following answers to general questions .

While a good conclusion is an important ingredient for newspaper articles, the immediacy of a deadline environment means that copy editing often takes the form of deleting everything past an arbitrary point in the story corresponding to the dictates of available space on a page. Therefore, newspaper reporters are trained to write in inverted pyramid style, with all the most important information in the first paragraph or two.
